Another school year has drawn to a close, for some of us it was our last.

The days are gone to live again only in our memories. Who among us could forget the dances, games, classes, studies, work, faculty, and friends.

But as we reflect back upon this year we find that our most enjoyable moments, and our most rewarding ones, were spent . . .

It's the Little

As the fence goes up the new football field nears completion in time for the Homecoming game.

Hey, isn't that enough? Kathy Zimmerman keeps piling things up in Bob Ulm's arms until he almost staggers beneath the weight.

Another new fad, this one for seniors only. You can't miss their bright corduroy skirts and socks. Left to right: Solly Lohse, Don Wiltfong, Jonis Watkins, Allan Blanchard, Vivian Litavecz.

Things That Count

There's plenty of room here for everyone. The new bleachers are almost ready for the big Homecoming crowd.

Hoppy birthday, Lenore! Some of the Seniors serenade Lenore Colin during noon hour.

"On the mark! Get set! Go!" with the Senior boys. Bill Feeney and Lorry Miller adorn the running boards of Sprague Miller's '37 Packard while Sprague eagerly readies for takeoff.

Maare and Marv McCannell. Standing behind the King and Queen are Mary Jo Brant, Lynn Garrard, and Ken Moretton.

The Junior Class Presents "Bali Ha'i"

Against the island theme of "Bali Ha'i" couples danced to the music of the Vic Faraci Orchestra at the Junior-Senior Prom, May 16, 1959.

Lynn Garrard, president of the prom-sponsoring junior class, announced the Prom King and Queen — Jay D'Angelo and Bonnie Elman, the first monarchs to reign over a prom held in the Griffith High School gymnasium. 1958 King and Queen, Ken Moretton and Mary Jo Brant, relinquished crowns to incoming royalty.

Bonnie and Jay take the spotlight as Queen and King of the 1959 Prom.

Guests dance to dreamy melodies amidst blended hues of orchid and blue. Palms, baby orchids, and a tropical mural add a touch of the South Seas.

Vic Foroci, his archestrio and vocalist, furnished the music for dancing on the tropical isle.

Varsity cheerleaders capture second place in car division of parade with their beatnik theme.

The Homecoming cheerleaders — Sue Schreiner, Marlene Smack, Phyllis Nelson, and mascots Anita Jones and Larry Kaby.

Homecoming Highlights

The Homecoming festivities got under way on Thursday, October 8, with the annual parade and bonfire. Spirits were high as students joined in the snake dance and the sock hop later in the evening.

The Dramatics Club takes first prize with this float predicting a gruesome fate for Merrillville Pirates in Griffith's Homecoming game — first game on the new field.

On October 9 the Griffith Panthers played their first game on their new football field. Included in the Homecoming half-time festivities were the crowning of the Queen and an exhibition by the marching band and baton twirlers. The Panther victory over Merrillville was celebrated at the Homecoming dance after the game.

Co-opts of the Panther team, Joy D'Angelo and Lynn Garrard ignite bonfire to set off celebrations after the parade.

Homecoming Queen in the midst of her court; Lenore Colin, Barbara Moyes, Joy D'Angelo, Connie Moore, Lynn Gorrard, Bonnie Elmon, Donno Gabor.

Homecoming Queen Connie Moore smiles through happy tears as Joy and Lynn pay tribute to Her Majesty.

Page One Ball

In keeping with the Fall season, the Panther Press staff chose for the theme of their annual semi-formal dance "Autumn Leaves." It was gaily carried out in the colors of orange, rust and golden yellow. The sides of the gymnasium were decorated with twisted strips of crepe paper. In the center of the floor were corn shocks and pumpkins. Bob Jakubiel-ski and his combo, supplied the music, including the theme song "Autumn Leaves."

Chairman of the dance was Richard Nault. The chairmen of the various committees were Jan Noreus, Sharon O'Halloran and Mary Lou Redar.

Making all the last minute plans for the "Page One Ball" are Cheryl Beiriger, Jan Noreus, Richard Nault, and Karen Dolson.

"All Aboard" for the 1959 Spring Tour

NEW YORK CITY: Twenty Juniors and Seniors toured this fabulous city, riding the subway and eating at the Automat. They visited the celebrated Radio City Music Hall to see the annual Easter Pageant and roamed the streets of Chinatown, browsing in its curious shops. Mr. and Mrs. Richard Beck and Mr. Arthur Fiscus accompanied the students on their tour.

WASHINGTON, D.C.: The G.H.S. tourists visited the White House, Mount Vernon, and many famous monuments, including the Lincoln Memorial. They sat in on a session of the Supreme Court and witnessed the proceedings in the House and Senate to see our nation's government in action.

"Stars" on Stage

For the second consecutive year the Student Council sponsored a Talent Contest as one of its activity period programs. Eleven students entered the competition with acts ranging from comedy pantomimes to serious piano and vocal solos. Acting as Master of Ceremonies, Mike Gall introduced the acts. Contributions from the various clubs provided cash prizes for the winning contestants who were: first place, Lenore Colin, piano solo; second place, Vivian Litavec, vocal solo; third place, Sandy Hayes, piano solo; fourth place, Dennis Maze, organ solo. On the board of judges for the contest were Mrs. Cecile Warner, Mrs. William Wilson, and Mr. Lynn Darin.

This lovely trio is made up of girls who appeared individually as vocalists — Phyllis Banfiglio, Junior; Sandy Vondy, Senior; and Kathy Kren, Senior.

Swinging out on the organ is Dennis Moze, o Junior. The lone male contestant captured fourth place prize with his rendition of "Blue Hawaii."

A variety of talents entertained the audience. Vivian Litavec, Senior, won second place with her vocal solo, "Hello Young Lovers." Judy Potter, Sophomore, presented a clever dance routine.

Activity Period

The Student Council is to be commended for presenting a well-planned activity period program this year.

Education and entertainment were provided for the student body by such special programs as a cartoonist, a scientific demonstration by Mr. C. E. Gluesing, and a trampoline act by the Koehlers. The Bell Telephone Company presented a program entitled "The Telephone of the Future."

Club meetings and various recreational features were scheduled by the Student Council on alternate weeks. Students could select the activity they wished to attend and received tickets of admission.

Doing his part well is Mike Lesniak, one of several students who joined the Koehlers in their acrobatic and trampoline act.

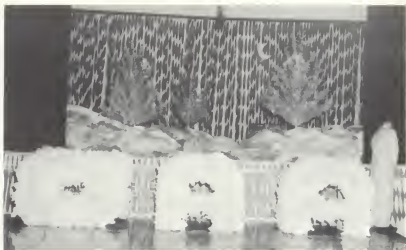

Dave Tosh reaches for a dollar as Mr. Gluesing demonstrates a burglar alarm.

Sound transmission from station to station was illustrated by a representative from the Bell Telephone Company.

Coming through the festively decorated archway, guests enter the cafeteria for refreshments.

"Winter Wonderland"

"Sleigh bells ring, are you listenin'; In the lane, snow is glistenin'." These words form the beginning of the ever popular "Winter Wonderland," which the Girls' Athletic Association chose as the theme for their annual winter formal.

The predominant colors were pink, blue, and white. The stage was decorated with three aluminum Christmas trees hung with white and blue angel hair. Suspended from the ceiling were snowflakes sprayed in blue and pink. A false ceiling of white crepe paper had also been constructed. One of the added attractions of the dance was the discreet sprig of mistletoe which hung from the rim of one of the baskets.

Jonis Watkins, Vice-President of G.A.A., presents the President, Lenore Colin, with the traditional bouquet of red roses.

Music was provided by Bob Minick's Continental Orchestra.

A pause between dances for refreshments and visiting in the cafeteria.

As the climax to a perfect evening, everyone gathers under the glittering snowflakes to follow the officers of the G.A.A. and their escorts as they lead the "Grand March."

Chaperones and parents gather to watch the guests as they whirl across the floor. Miss Beonblossom, Mr. and Mrs. Gerald Nelson, and Mr. and Mrs. Augustine Collin were chaperones.

As the end of the evening nears, the boys attempt to get those ever cherished souvenirs.

" 'Twas the Night Before Christmas . . . "

On Friday, December 18, the Dramatics Club presented a one-act play, "A By-Line for St. Luke." The play centered around a Christmas miracle, which took place in a metropolitan newspaper office.

The play was directed by Richard Nault and Janis Watkins. The two major characters, Luke Cameron and Carol Prescott, were played by Doug Allen and Lenore Colin. The other characters were played by Mike Gall, Sandy Vondy, John Blanchard, Kathy Kren and Barbara Moyes.

Following the presentation of the play, the A Cappella and Glee Club presented their annual Christmas program for the student body. This concert will be remembered — not only musically — but for its unique beginning when both groups rose from the audience and walked to the front singing "Winter Wonderland."

Other highlights of the program were the Madrigals' selections and the Junior High Girls' Sextette. "Carol of the Drum" was a number featuring the boys singing a background resembling the sound of a drum. The Girls' Glee Club offered a modern arrangement of "Jingle Bells." Several selections later the program closed with a popular Christmas favorite, "The Christmas Song" ("Chestnuts Roasting on an Open Fire").

Play cast from left to right: Mike Gall, Kathy Kren, Barbara Moyes, Sandy Vondy, John Blanchard, Lenore Colin, Doug Allen.

Presenting the musical portion of the program are the Madrigals, the A Cappella Choir, and a sextette from the grade school.

"You Can't Take It with You"

On May 6, 1959, the Senior class presented its play "You Can't Take It With You."

Moss Hart and George Kaufman's human comedy was ably directed by Miss Lois Hodson, and its characters well portrayed by the talented Seniors.

The production and its preparation are happy memories that the Senior class could take with them wherever they go.

Student Council

The functions of the Student Council include planning the activity periods for the entire year, and the Homecoming parade and dance. The Student Council gives financial aid to other clubs, in addition to chartering new clubs. This year the club sponsored a program to obtain clothing for the needy. As a safety measure for the school, it has put up permanent direction arrows in all halls to speed exit in case of fire. The Council makes the calendar arrangements for all activities and sells refreshments at the dances, the proceeds going to CARE.

National Honor Society

The National Honor Society is a chapter of a nationwide organization. To be eligible for membership a student must have a "B" average for six semesters of school work. Then the student's extracurricular activities are evaluated by his teachers, who must approve his membership.

As its project for 1959-60 the Griffith National Honor Society undertook the tutoring of high school students.

Students who were confined to their homes because of illness or other reasons were given preference. Second choice was mid-term transfer students. Third choice was pupils referred to the society by their classroom teachers — pupils who have the ability and the desire to learn and who would benefit from tutoring.

In accordance with the National Honor Society's tutoring program, John Blanchard and Don Wiltfong help a student with his algebra.

F. T. A.

The Sam B. Waads Chapter of the Future Teachers of America aims to stimulate interest in the teaching profession and to acquaint members with the philosophy and ideals of educators. It offers membership to any student with interest in teaching, or in other areas of the field of education.

F.T.A. has organized a program whereby students having no less than a C average may receive one unit of credit per year for cadet teaching. This will be effective in the 1960-61 school year.

The annual carnival and dance highlight the year's activities to raise money for the F.T.A. Scholarship Fund.

F. N. A.

The Future Nurses Club, a newly organized group at Griffith High School this year, is composed of students who are seriously interested in the field of nursing.

The members of the club do volunteer work at neighboring hospitals, especially in planning parties for the children there during the holiday seasons.

Cadet Teachers

The cadet teaching program offers to students an opportunity to learn more about the field of teaching by actual classroom experience. Each student teacher is assigned to a regularly scheduled class where he

may assist the teacher in such tasks as grading papers, giving individual assistance to pupils in the classrooms, or even conducting classes.

Left to right: Martha Hart, Sharan Shafroth, Bonnie Patterson, Sharan Canham, Phyllis Nelson.

Librarians

The librarians volunteer their services to help make all the facilities of the high school library available to every student in school. They check out books, arrange books on the shelves, and type up material. They lend a helping hand to Miss Moelhman in her task of making the library a quiet and convenient place to study and to get information.

Projectionists

When visual instruction provides a break in regular classroom routine, the projectionists are on the job to run the machines for the teachers. The slide projector, opaque projector, and film strips are available.

These boys assume responsibility for the maintenance of the machinery, and volunteer their services to the high school, the grade schools, and other groups.

In the picture at the right, Charles Haltz holds the speaker in his hand while he waits for Russell Clark to finish threading the projector for a movie.

Office Girls

Every day we see these girls, either in the office, or walking the halls with stacks of papers in their hands. The duties these girls perform range from delivering the daily absence report to the teachers to running off material on the hectograph machine. The service that they render to the office personnel is unmeasur-

able. ROW 1: Sharan Lugar, Pat Starek, Geraldine Vander Tuuk, Sharan Blythe, Luanne Karr, Judy Brill, Charlette Medley. ROW 2: Pat Szurgat, Barbara Schmidt, Beverly Smoak, Charlatter Murawski, Cannie Haller.

Math Club

After a period of inactivity, the Math Club was re-organized this year for high school students who enjoy mathematics.

Since one year of algebra and one semester of plane geometry are required, a person is not eligible for membership until the second semester of his sophomore year.

The first project undertaken was a study of the slide rule and its uses. Exploratory studies of analytical geometry and the binary numbers are designed to give members an insight into the field of higher mathematics.

Science Club

The Science Club was organized to promote more student interest in that field, and to provide opportunity to explore some phases of science which are not usually taught in the classroom. Each member of the club is expected to develop at least one project during the year and to demonstrate it before the members of the club.

Booster Club

A familiar sight at the games is the black "G" formed by the Booster Club section, with the cheerleaders, Lenore Colin, Marlene Smack, Barbara Mayes, Panther Anita Jones, Phyllis Nelson, and Sue Schreiner, down in front leading the yells. The group is composed entirely of girls although the membership is open to all students.

Attendance of members is required at all home games, and a bus is provided for transportation to

out-of-town games. Weekly meetings are held after school one evening a week.

Capes, cards, and white gloves are used by the group to produce eye-catching effects, and their organized cheers inspire the whole student body to a better response.

This year the Booster Club was directed by Miss Nancy Whitlack.

Y-Teens

The goals of the Y-Teens are to grow as a person, to grow in the friendship of people of other races, religions and lands, and to grow in the knowledge and love of God.

Among the activities of the Y-Teens are the Mother and Daughter Banquet for all the girls in the school; programs such as "charm night," which are of interest to the student body; Christmas projects for Bethany Home; assistance at YWCA activities and service to the school and community.

Latin Club

The Junior Classical League, usually called Latin Club, is sponsored by the American Classical League. Students covenant through their membership to hand on the torch of classical civilization to the modern world.

Students who are currently enrolled in Latin classes, as well as those who have completed the course, are eligible for membership.

In addition to meetings during activity period, the club holds one night meeting each month. The main activities are the Roman Banquet and a beach party at the Dunes State Park at the close of the school year.

Dramatics Club

The Dramatics Club aims to promote and widen interest in play production and to encourage students to actively participate in dramatics. The membership is open to all Griffith High School students.

Its activities include one-act play presentations, trips to Chicago to see various plays, and the annual Senior Class play. The club's first presentation was the one-act comedy entitled "Pinch Me." "A By-line for St. Luke" was presented by the club during the Christmas program.

Photography Club

Membership in Photography Club is open to all students. There are no dues, but each person must fulfill certain requirements in order to hold his membership. The subject matter for monthly projects must be approved by the sponsor and presented at the first club meeting of each month. A minimum of three or a maximum of twelve prints may be submitted.

Club members learn how to take better pictures, to develop them, and to make the prints. This gives them valuable training for an interesting and profitable hobby.

Radio Club

Radio Club made its initial appearance at Griffith High School this year. It was organized to continue the work begun last year by some of the students in the Science Seminar.

The aim is to build on FM radio station of the high school. An effort has been made to interest the student body and the community.

The club has taken care of all necessary correspondence with the Federal Communications Commission. They have compiled information and presented it to the School Board, who will help finance the FM station.

In addition to the station planning, the club members are learning radio circuitry and Morse Code, and most of them have short wave radios.

Panther Press

The Panther Press, a bi-monthly publication, is a member of the International Honorary Society for High School Journalists, Quill and Scroll.

Subscriptions for the Panther Press are sixty cents a semester or one dollar a year. Positions on the staff are open to any Griffith High School student who has had a semester of journalism. The paper aims to serve the students by publishing the news of the school. The Panther Press exchanges copies of the paper with other high schools, and presents the Page One Ball to the student body each year.

Reflector

Another year has passed and another Reflector has been presented to the student body as a lasting record of the events of the year 1959-60. Layouts, copy, pictures, subscriptions, and names — it takes a lot of work to put out a good yearbook. The Reflector is a pictorial history of your school and the things that you did during the year.

Positions on the Reflector staff are open only to those students who have completed a course in journalism. Each year the editor spends two weeks at journalism school at Indiana University in Bloomington, studying yearbook work and planning layouts for the coming year.

This year the Reflector has had the honor of becoming a member of the Quill and Scroll, International Honorary Society for High School Journalists.

Working on pictures and layouts occupies a great deal of Nancy Stewart and Rannie Kryszak's time.

The Concert Band presents three concerts at the high school each year and competes in the Concert Band Contest. In the last seven years they have received six first Division ratings. Over half of the band members participated in the solo and ensemble contest in February. These special groups also serve as special program material for civic and school affairs.

Pep Bands are provided for home basketball games and school pep sessions. The Dance Band and the Concert Band prepare music for various school assemblies and special programs.

As a climax to a year of hard work, the band members look forward to the Band Banquet and to the picnic.

. . . In Sports

He was fallible and human,
Therefore loved and understood
Both his fellow men and women,
Whether good or not so good;
Kept his spirit undiminished,
Never lay down on a friend,
Played the game until it was finished,
Lived a sportsman to the end.

Junior Varsity Football

Griffith's Junior Varsity football team, coached by Mr. Felix Zabroski, plagued by lack of material and inexperience, eked out a 2-7 record.

Highlighting the season was the Panthers' win over East Chicago Roosevelt 13-6. Their other win was against the Indians of Portage.

Losing only by small margins, the young but unusually large Panther "cubs" displayed the need of a potent scoring punch at the times when it was most needed.

Terry Fagan was chosen by his teammates as the 1959 Junior Varsity's Most Valuable Player.

A Building Year for Cross Country

For the first time in four years, Griffith's Cross-Country team failed to capture the Columet Conference title. However, Coach Carl Sanders has said that this was one of the hardest working, most spirited teams he has ever coached.

The Cross-Country "horriers," mostly sophomores and juniors, could place only fifth in the conference meet at Cressmoor Country Club in Hobart. Griffith's best runner in that meet placed third with a 10:28 record, 46.5 seconds slower than the best time last year.

Varsity Football

Griffith's 1959 Varsity Football Team proved to be the biggest surprise in recent years among the conference powers. Figured only in the lower division, after losing most of the starting lineup of last year's Conference Championship team, the youthful Panthers proceeded to prove these assumptions wrong.

Kicking off the season in the First Annual Football-a-Rama, the gridders overpowered Calumet 7-0. Journeying to Lowell the following Friday, Griffith met defeat 0-7 in the final seconds on a deflected touchdown pass. Licking their wounds, the Panthers showed no mercy in drubbing a listless Portage team 34-12. A Dad's Night crowd, September 23, saw the improving Black and Gold meet the third ranked team in the state, Hobart. In a bruising nip and tuck battle, the valiant Panther team finally succumbed to the Bricksies' three platoon system. Snapping back into the win column, Griffith thrashed Calumet again 26-6 and ran all over East Gary

24-6. The Panther eleven honored the Homecoming Queen and her court on October 9, with a hard-fought victory over the eventual 1959 Conference Champions, Merrillville. Spirit and hopes ran high as Griffith invaded arch rival Dyer, but they were quickly plunged into despair as the Indians sent the Panthers spinning 6-13. Coming back strongly, the gridders clobbered hapless Gary Wirt 26-13 and edged out victories over the Crown Point Bulldogs 14-12 and the Blazers of Gary Edison. This last game marked the beginning of a new era in the Griffith tradition of winning football teams as Coach Tom Kurth in his initial season led the Panthers to a sparkling 7-3 record.

Among honors bestowed on the Griffith gridders were the selection of six players on the annual All-Conference teams. Receiving these positions were: Lynn Garrard, Gary Fagan, Bill Hutson, Dick Reyome, Jay D'Angelo and Terry LaNoue.

Panthers Tie for Second in Conference

Griffith's Varsity Basketball team began the 59-60 season crippled and inexperienced. The Panthers, hampered by football injuries and sickness, dropped their first five games, but on December 11, they racked up their first win over Portage 83-69, with Senior Mike Kinsey contributing 37 points for a new school record.

In the Merrillville Holiday Tourney, Dec. 17-19, the Black & Gold conquered East Gary 87-61, Calumet 59-38, and Hobart 66-56, capturing the championship trophy. Lynn Garrard, Senior guard, was named the tournaments most outstanding player.

Coach Harold Mack's inspired Panthers went on to win nine of their next 12 games.

Griffith defeated East Gary, Merrillville, Dyer, Lowell and Portage in Calumet Conference play and lost to Gary Wirt and Conference Champion Gary Edison. Mike Kinsey, Calumet Conference and Lake County's leading scorer, also broke his own school record with 39 tallies against Chesterton.

Seniors Lynn Garrard and Mike Kinsey, and Junior forward Gary Fagan, received All-Conference recognition.

Track Men Best on Record

Panther thinclads, acclaimed to be the best in the history of the school, brake seven schaal records and placed 3rd in the Gary Sectional, qualifying four individuals for the regional meet.

On March 25, 1959, the Panthers apened the season at the Fifth Annual Crawn Point Invitational Indaar Track and Field Meet in the University of Chicaga fieldhouse. Although they came home with a disappointing third, they snapped back to take the next six meets and taak second place in the Little Five Meet at Habart.

At the Habart Relays Griffith swept the field in Divisian Twa and set two new schaal records in ane of those rare track meets under lights. Panther firsts were recarded by Al Raduenzel, high hurdles, 15.3; Ed Ditmars, high jump, 5'9"; Terry LaNaue, 660, 1:28; Jae Kasteba, Dan Jordan, Gale Riggle, and Dick Greene, mile relay team, 3:41.1; Dan Gaad, Gale Riggle, Duane

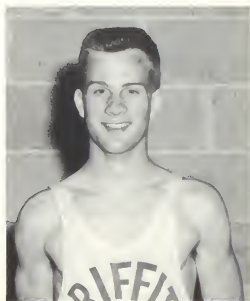

Lueders, Al Raduenzel, shuttle hurdle relay, 48.3, (new recard); Marv McConnell, Jae Kasteba, Terry LaNaue, Dick Greene, distance medley relay, 8:03. (This last was nat only a new recard, but also the second best time in the state.)

The 1959 Calumet Conference Track Meet was held at Lawell and the Panthers, continuing in their winning ways, captured the crawn. High men for Griffith were Greene (12 points), LaNaue (10 points), Raduenzel (9 points), Lueders (7 points), Riggle and Kasteba (6 points), Burks (5 points), and Ditmars (4 points).

At the tough Gary sectional, Griffith kept up their goad reputation by qualifying Green, LaNaue, Ditmars, and Raduenzel for the regional meet at Mishawaka. There Greene and Raduenzel qualified for the state, but LaNaue and Ditmars failed to qualify.

Al Raduenzel — Regional, State qualifier

Finishing the season with a 7-7 record, the Griffith Panther baseball team showed a strong desire to win. The young Panthers (only four Seniors) came to a slow start, losing their first three of four to Hobart 5-2, Crown Point 2-1, and Gary Wirt 6-4, but sandwiched a 9-8 win over Merrillville.

The middle of the season found the Panthers in a five game winning streak, with wins over Lowell 2-1, Culver 13-2 and 5-3, Portage 1-0, and Merrillville 2-0. The streak ended against Edison 2-1 and Dyer 3-0. The Panther nine finished the season

beating East Gary 17-3 and losing to Calumet 2-0 and Morton 4-3 in a ten inning affair.

The Panthers won four and lost three in Conference play and finished behind Dyer. Hopes are high for 1960 with eight returning lettermen along with 13 others from last year's team.

Last season marked the end of Coach Steve Stanczak's baseball Coaching career. The boys who have played under Mr. Stanczak have appreciated and will long remember the fine job he has done.

Junior Varsity Wins 9, Loses 9

After a very shaky beginning, our "B" team, under the coaching of Tom Kurth, turned in an excellent performance by winning nine of their last 13 games. The slow start was caused by the lack of basketball knowledge and team work. The young Panther squad was plagued with injuries, much as the varsity team was. After its first five games the group began to function as a team. They started winning games under the floor direction and scoring of Steve Stiglitz.

Steve was strangely backed up by three solid juniors, Bill Hutsan and Dan Lazar, who were the hawks on the boards, and Jerry Palka with his outside shooting. Coach Kurth also had a good bench, mainly freshmen, and when they were playing they did a satisfactory job. The team averaged 36.4 points per game. Impressive performances by the team included the 53 to 46 win over East Gary and the 52 to 43 win over Merrillville.

Education today, more than ever before, must see clearly the dual objectives: Educating for living and educating for making a living.

— James Mason Wood

SEATED: Mr. Jesse Sheets, Mr. John Govert, Mr. Ted Tom. STANDING: Attorney John Hilbrich, Superintendent Eldon Ready.

Board Plans Groundwork of Education

Mr. Jesse Sheets is the School Board President. He graduated from Clark High School, and attended Valparaiso University and Indiana University. Mr. Sheets, who is married and has three children, is employed as a senior laboratory technician at Sinclair Research. He is an active member of the Democratic Club, the American Legion, and the Oil Chemical-Atomic Workers, and is spearheading the work now being done to complete Griffith's new elementary school.

School Board Secretary, Theodore Tam, attended grade school and high school in Carterville, Illinois, after which he completed his formal education at Southern Illinois University, and Ohio State University. Mr. Tam is a chemist at Standard Oil. He is married and has four children.

John Govert, Treasurer of the School Board, is a salesman by occupation. After graduation from Saint Mary's School, he attended Indiana University. He is active in the American Legion, the American Society of Metals, and the American Foundry Society. Mr. Govert is married and is the father of four children.

The School Board Attorney is Jack Hilbrich, who attended Saint Mary's School, Griffith High School, and graduated from the University of Notre Dame. Mr. Hilbrich is married and has a son. He is a member of the Junior Chamber of Commerce, East Chicago Bar Association, the American Legion, and is Deputy Prosecutor in Lake County Juvenile Court.

Mr. Ready

Mr. Ready, the Superintendent of Griffith Public Schools, is a graduate of Indiana State Teachers College and Chicago University. He holds two degrees: Bachelor of Science and a Master of Arts. Born in Vincennes, Indiana, Mr. Ready now lives in Griffith where he was principal of Griffith High School for nine years and has been Superintendent for four. Mr. Ready is the father of five children and the proud grandfather of seven.

Among Mr. Ready's interests are music and United States history. In his leisure time he enjoys his favorite hobbies of music and woodworking. Mr. Ready is active in several organizations. He is a member of the American Association of School Administrators, a life member of the National Education Association and Phi Delta Kappa, and he is president of the Northwestern Indiana Public School Superintendents Association.

Mr. Kelly

Our Principal, Mr. Kelly, was born in Foyette County, Illinois and graduated from Vondalio (Illinois) High School. He attended Illinois State Normal University where he received his Bachelor's degree in Education. At the University of Illinois Mr. Kelly received his Master's degree in Science. He has spent two years at Washington University in St. Louis doing predoctorate work. He has also studied at the University of Chicago and Indiana University.

Mr. Kelly is a member of the Indiana State Teachers Association, a life member of the National Education Association, and a member of the Lake County High School Principals Association, of which he is the Secretary-Treasurer. He belongs to three educational fraternities and is a Mason. Mr. Kelly has been chosen as a delegate from our district to the National Education Association Convention in Los Angeles.

Mr. Kelly likes to go hunting and fishing whenever he can find time. He also has a collection of Indian relics and one of stamps.

Mrs. Clark

Mrs. Maxine Clark is a native of Whiting, Indiana, but she attended Hammond High School. Outside of school hours, her time is fully occupied as the busy mother of two young boys, ages thirteen and six.

Being secretary in the office involves a lot of work with the students as well as with the teachers. There are always a lot of people in and out of the office with receipts and announcements, keeping the place lively. Mrs. Clark finds that this contact with young people brings her much satisfaction.

Pat Storek does typing as a part of her duties in the high school office.

Mrs. Kane

Mrs. Leona Kane has spent her entire life in Griffith and graduated from Griffith High School. Her family includes three sons and one granddaughter. She is kept busy with her boys and likes to do anything that she can do with them.

Her five years at Franklin School have been spent as secretary to the Superintendent of Griffith schools. If you were to ask Mrs. Kane what she likes most about her job, she would probably say "everything." She previously worked at the assessor's office in Gary, Indiana. She is a member of the state Tri Kappa Sorority.

Mr. Bridges

Edwin M. Bridges, Assistant Principal of Griffith High School, was born in Hannibal, Missouri. He received his Bachelor's Degree from the University of Missouri, his Masters from the University of Chicago, and has taken post graduate work at the University of Chicago and Indiana University.

Mr. Bridges is married and has two children, two year old Richard and Rebecca, one.

Bowling, reading, and writing are Mr. Bridges' favorite pastimes. He has had seven articles published in national magazines such as the "Phi Delta Kappan" and "National Schools."

As counselor for the boys, Mr. Bridges receives a great deal of satisfaction from observing the results of his counseling and from working with young people.

Mrs. Warner

The Director of Guidance at Griffith High School is Mrs. Cecile Worner, who was born in Bridgeport, Illinois. She graduated from Okemoh High School in Okemoh, Oklahoma. She studied at East Central State Teachers College, Ada, Oklahoma, before transferring to Ball State Teachers, Muncie, Indiana.

Mrs. Worner enjoys traveling, art, photography and reading. In her travels she has journeyed as far north as Gospi, and as far south as Caracas, Venezuela. She also enjoys working with students, especially when she can help them to reach their goals.

In Memoriam

CHARLES MURRAY
1942 — 1959

For they have finished to begin
And greater things they do —
Who came so far to die so young
And live again in you.

— Dr. Daniel A. Poling

Most Courteous! Richard Nault and Janis Watkins apparently read the wrong book of etiquette.

Good . . .

Better . . .

Best!

The Class of '60 presents its choice of superlatives in seven categories.

Priming in the halls? A most unlikely setting for our Best Groomed, Barbara Moyes and Marv McCannell.

Most Athletic in action! Does Mike Kinsey really need Andy Dertaw's assistance?

Best Leaders, Lynn Garrard and Sandy Vandy enjoy putting on an act for the photographer.

Sharon O'Hallaran and John Blanchard are Most Likely to Succeed and the school safe looks like a good place to begin.

Snow and wind are minor obstacles to our Best School Citizens, David Stanton and Nancy Stewart.

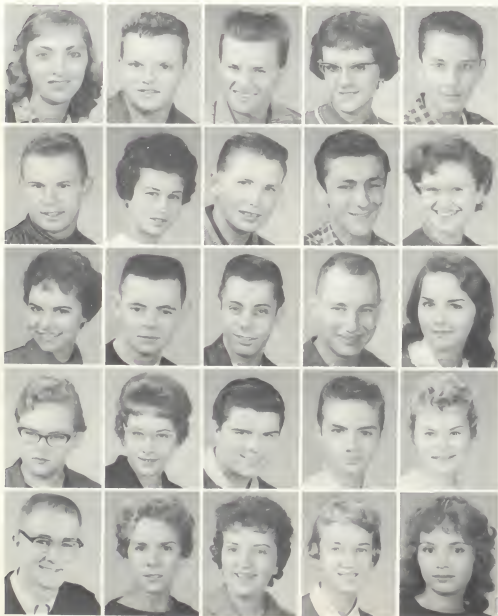

Those happy smiles tell you why Jay D'Angelo and Bonnie Elman were chosen Most Popular.

The days of "Getting to Know You" draw rapidly to an end and soon become just memories. In recording them our aim has been to place upon these pages that which is most worthy of preservation.

If, in this book, we have succeeded in gathering together your dearest memories of the year, our purpose is fulfilled, and with the sincere hope that our efforts will be appreciated, and that our oversights will be looked upon with toleration, we close the pages of the 1960 "Reflector."
